DOCKET FILE COPY ORIGINAL

ERRATUM TO APPLICATION FOR REVIEW

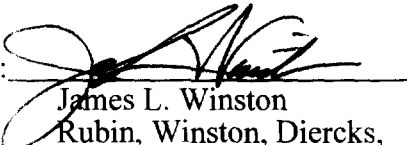

The National Association of Black Owned Broadcasters, Inc. ("NABOB"), Percy Sutton individually ("Sutton"), and the National Association for the Advancement of Colored People, Washington Bureau ("NAACP") (collectively referred to herein as the "Minority Petitioners"), by their attorneys, hereby submit this Erratum to the Application for Review filed with the Commission on July 21, 1995.

In their Application for Review, the Minority Petitioners stated that the A and B Block Broadband PCS licensees had not yet paid the balance of their license fees and that the licenses had not been granted. In fact, the fees had been paid and these licenses were issued by the Commission by June 30, 1995.

With this correction, the Minority Petitioners submit that their Application for review should be granted by the Commission. The A and B Block licensees were on notice that the Minority Petitioners were challenging the legality of the issuance of the A and B Block licenses. The Commission's grant of the A and B Block Broadband PCS licenses does not affect the Minority Petitioners' arguments concerning the impropriety of granting these licenses and does not significantly affect the Minority Petitioners' analysis that their request for a stay of the A and B Block Broadband PCS licenses meets the requirements of the four prong test for a preliminary injunction articulated in Washington Metropolitan Area Transit Comm'n v. Holiday Tours, 559 F.2d 841, 843 (D.C. Cir. 1977).

Respectfully submitted,
